

Appendix 1: Visit Manchester Management Board

The activity of the DMP is monitored through the Visit Manchester Management Board, which meets quarterly. This group has been pulled together based on their current role, or because they represent a sub-sector of tourism.

The specific duties of the Management Board are:

- To ensure strong sectoral partnerships within the tourism industry.
- To provide the Visit Manchester executive team with strategic direction and industry support.
- To monitor Visit Manchester activity, providing constructive and critical analysis.
- To support the development of and provide the monitoring for the Greater Manchester Visitor Economy Plan (DMP)
